Fall Decorations in Downtown St. Johns

Fall has arrived in Downtown St. Johns, and over the next few days you will see some decorations commemorating that fact. Various storefront windows will be hand painted in celebration of this weekend's Homecoming Football game, and the lamp posts along Clinton Avenue from State to Railroad will be adorned too! Beautiful fall colors will be added to the lamp posts with corn stalks and bright orange bows. Please feel free to personalize the light pole in front of your business with additional touches such as gourds and pumpkins, or even a harvest scarecrow! Let's all make our Historic Downtown bring a smile to all that pass through, and make it a destination location for those to shop, enjoy, remember and return!
