This year has been eventful for our historic Downtown St. Johns business district, with shops and businesses providing quality goods and services to many satisfied patrons and our loyal “support local business” shoppers. The attraction of buyers to our downtown district has been a collaboration of so many good hearted and generous people, who have performed many, many services to promote and highlight the benefits of Historic Downtown St. Johns. Thanks to all that have championed the cause of a strong downtown partnership, realizing that what is good for one is good for all in our community.

We are especially grateful for the combined efforts of ALL who have made our Downtown St. Johns sparkle and shine throughout the year, and made it a warm and welcoming destination for shopping, services and activities.

The St. Johns Downtown Management Board’s “**Downtown Dollars**” promotion continues to be an overwhelming success with more than 1200 entries received during November, and the winning entry form was obtained at Clinton Electronics by Ms. Darlene Schmitz of Fowler. Darlene was presented with her \$250 **Downtown Dollars** gift certificate book by Downtown Management Board member Mr. Eric Harger of Trinity Engineering and Surveying Services and Mr. Aaron Eberhard of
